Corem signs ten-year lease for 5,160 sq.m. with SOS International in Copenhagen

Corem has signed a ten-year lease agreement with SOS International regarding 5,160 sq.m. of office space in Fairway House, Copenhagen. Move-in is planned for early September 2024.

The office, which is on three floors, will be adapted to best respond to SOS International's needs and requirements, with detailed interior designing in collaboration with the tenant.

"We have been looking for the right premises for our new headquarters for a long time and we have found it in Fairway House, where, in addition to a central location, we get a good working environment with high ceilings, light and pleasant surroundings. Since we work to help others, it is important that our employees also feel good when they are at work," said Jan Sigurdur Christensen, CEO of SOS International.

"We are delighted to welcome SOS International to Fairway House. The fact that they express appreciation for both the interior and the location adds extra pleasure. We look forward to a good long-term collaboration", said Rutger Arnhult, CEO at Corem.
